

# 4-WEEK HANDS-ON INTENSIVE MUSICAL THEATRE WORKSHOP

**T**he New York Film Academy provides a unique environment where students of musical theatre can hone their skills with a Broadway level faculty not found in any other program nationwide.

## OVERVIEW

In the Four-Week Musical Theatre Workshop, professional musical theatre performers expose students to the necessary skills needed for success in the industry. This workshop emphasizes the theory and practice of the acting craft. It is designed for individuals with singing and movement abilities who may or may not have prior experience on a musical theatre stage.

To help students to develop the necessary skills to achieve skills for musical theatre, students in the Four-Week Musical Theatre Workshop take classes in Acting Technique, Song Interpretation, Performance, Voice, Ballet, Jazz, Musical Theatre, and the History of Musical Theatre.

The Four-Week Musical Theatre Workshop is an accelerated full-time course of study. It is a great opportunity for students interested in enrolling in our One- or Two-Year Musical Theatre program, but who are unsure about making a year-long commitment.

Upon completion of the four-week workshop, students will perform musical theatre pieces that demonstrate an understanding of Song Interpretation, Performance, Meisner Acting Technique, and Theatre Dance.
