**Explanation of Revision:** Effective Fall 2022, a Technology and Activity fee will be added to tuition for all long-term programs. A Technology fee is also being added to select short-term programs.

**Activities Fee:** The NYFA activities fee helps support extracurricular student programming and NYFA sponsored in-person and virtual events for students.

**Equipment & Technology Fee:** The equipment and technology fee is used to cover equipment used in training and to help support information systems and technology for students at NYFA.

Please see below the revised Tuition & Costs catalog entry with detailed cost breakdown.

# TUITION & COST

---

All tuition costs are listed in USD and are subject to change. Please check the NYFA website for any updates in tuition, equipment or lab fees. Students will also incur additional expenses on their own productions. This varies depending on the scale of the projects, how much film they shoot or how much of their work they choose to print.

Total tuition costs are based on the prescribed length of the program. Students who receive transfer credit for previous academic work or training may be entitled to a reduction in tuition. This reduction in tuition would be on a pro-rated, per credit unit basis, depending on the number and type of units transferred, and the course(s)/semester(s) to which they apply.

Students have the option to pay tuition and institutional fees & charges in full, after the student has been accepted and enrolled.

Tuition is due 30 days prior to the first day of class.

Students should be aware that any balance remaining unpaid after the due date will be subject to late payment charges in accordance with the NYFA policy and may be subject to registration hold. For programs running four weeks or less, the late fee is a minimum of \$50 or 1% of the outstanding balance whichever is greater. For programs longer than four weeks, the late fee is a minimum of \$100 or 1% of the outstanding balance whichever is greater.

For new applications completed within 30 days of the start of class, payments in full are due five business days after admission but no later than the program start date.

Students who have completed their application for federal aid funding prior to the priority deadline date, will not be charged or otherwise penalized due to a delay in the delivery of federal financial aid funding.

## VA PENDING PAYMENT COMPLIANCE

---

In accordance with Title 38 US Code § 3679 subsection (e), this school adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill® (Ch. 33) or Vocational Rehabilitation & Employment (Ch. 31) benefits, while payment to the institution is pending from the VA. This school will not:

- Prevent the student's enrollment;
- Assess a late penalty fee to the student;
- Require the student to secure alternative or additional funding;
- Deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students will be required to provide the enrolling institution with a copy of his/her VA Certification of Eligibility (COE). A “certificate of eligibility” can also include a “Statement of Benefits” obtained from the U.S. Department of Veterans Affairs’ (VA) website; eBenefits; or a VAF 28-1905 form, for chapter 31 authorization purposes.
