TUITION & COSTS (SPRING 2019)

All tuition costs are listed in USD and are subject to change. Please check the NYFA website for any updates in tuition, equipment or lab fees. Students will also incur additional expenses on their own productions. This varies depending on the scale of the projects, how much film they shoot or how much of their work they choose to print.

Total tuition costs are based on the prescribed length of the program. Students who receive transfer credit for previous academic work or training may be entitled to a reduction in tuition. This reduction in tuition would be on a pro-rated, per credit unit basis, depending on the number and type of units transferred, and the course(s)/semester(s) to which they apply.

Students have the option to pay tuition and institutional fees & charges in full, after the student has been accepted and enrolled.
